

For those looking to start studying overseas

## INFORMATION SESSION for ENROLMENT 2026 (OCT) and After

Water & Environment Science (Master & Doctoral) Program, Nagasaki University, Japan

### Sunday, April 19

### 11:00~12:00 (JPN time)

### Zoom - Online session

REGISTRATION - [CLICK](#) (google form)  
QR code (right) or send an email to  
[tfujioka@nagasaki-u.ac.jp](mailto:tfujioka@nagasaki-u.ac.jp)

The information session provides an overview of the English-based program, research projects of the water treatment and material science laboratories, examination, scholarships available to students during their Master/PhD study.

#### AGENDA

- *About the Program*
- *Scholarships (MEXT for PhD) & Expenditures*
- *Student Life (Interview of current students)*
- *Preparations for research and exams*
- *Water Treatment Lab. (Prof. Fujioka)*

#### TIMELINE for October 2026 ENROLEMENT

*(Master)*

May *Exam fee support application closed*

May *Application period*

June *Exam (online) (Official English test mark submission required before the exam)*

*(PhD)*

May *Exam fee support application closed*

June *Application period*

#### ELIGIBILITY

- *High enough English skills*
- *Passionate about research*
- *Independent attitude*
- *Spontaneous (Never passive)*
- *Self-motivated & Creative*
- *Ideal background (but not limited to):  
Water Environment, Civil Engineering,  
Chemical Engineering, Material  
Sciences, Chemistry, Mechanical  
Engineering*
